Dear Fellow Labourers,

It is a great privilege to recommend to you Dr. Rick Carter as a preacher that would greatly benefit your ministry. Bro. Carter and I first served together 30 years ago. It has been a great blessing to see how the Lord has used both he and his family in the ministry all these years. I have been personally helped by his friendship and counsel many times. God has given him great insight into the spiritual needs of people in our current world. I have used his Hope material and books all around the world to help Pastors, Evangelist, and church members restore themselves, overcome sinful bondage, and be delivered from many forms of emotional distress.

I would greatly encourage your church to schedule Dr. Carter to preach and teach on this great need of Biblical Discipleship and Counseling. I would also like to recommend that churches support him financially as travel and ministry are very expensive. Bro. Carter has always been generous in providing his material to those in need and not using the ministry for personal gain. Please pray for he and his wife and support them in this expansion of ministry.

Live unto the Lord
