Dear Pastor,

I am writing this letter concerning Bro Rick Carter Jr and his ministry Hope Counseling.

I have known Bro Rick since he was a young man (pre-teen). I watched him grow up in a good pastor's home and then enter into ministry early in his life.

I watched as he went to counseling school and was trained under Mike Hayes who himself was a good man of God and help me much in the early years of my ministry here at Shawnee Mission Baptist Temple.

Over the last few years Bro Rick and I have renewed our friendship and I have personally benefited for his teaching and one on one time in seeking insight to help others with there personal issues. I have gone the last two years to his counseling seminary at Beth Haven and found the info very helpful for both me and my wife. I have enjoyed his written material also and found it quit helpful for both reference and teaching others.

I highly recommend my friend, and know he will be beneficial and a help to you and your ministry.

Serving In Shawnee,

Kevin Metsinger
