Dear Pastor and Church, October 2026 Prayer Letter

As I write this letter, I am sitting in a borrowed room in Guyana. It is hot here, and this room is only adjacent to an air conditioner, so it is only slightly cooler than it is outside. I am finishing my last class of our new 30-hour counseling certification course. 17 people have taken the classes, and it has been a great blessing. Many expressed interest in taking this class, but schedules were an issue. For that reason, we are going to offer a recorded version of the class.

In October, we did 4 revivals, a Counseling course on Marriage, an emotional pain outreach, and Angela spoke three times at a ladies revival where one trusted Christ. God blessed each of these meetings with great attendance and working in the hearts of those present.

We had five new churches register for the HOPE Recover Ministry Curriculum, and at least two churches that we know of kicked off their weekly meetings. Brother Garber has been such a help with this side of the ministry as he has traveled to help the churches with their launch of the meetings.

We are now just $4,600 short of our Mexico Printing project being fully funded. Brother Garber has been printing as we raised money, and Pastor Josh will take the first load down to Mexico in November. We still have more to do, so please continue to pray for this project and, if God leads, please give to help us. Our goal of helping 20 churches with enough addictions material to reach 100 addicts each is within reach.

We have started making our adjustments to reset for next year and the new branding of HOPE for the Nations. Olivia in our office did a new logo for this, and Angela is working on the new banners. We are excited to roll this out in the first of next year. Please pray that more churches would join us to spread HOPE to the world. The need is great everywhere we go. I will say more about that in the next prayer letter regarding the needs in the countries we are visiting this month.

Starting next month, we will send out the update letters for HOPE HOMES along with our monthly letter. This will help everyone keep up to date on the exciting things that God is doing.

Please pray for our travels this month as we journey to Guyana, Argentina, and Trinidad and Tobago.

In His Service,
Rick Carter Jr. Ph.D.
